

Meet Me In Space

[Ke\\$ha](#)

Woah-oh-oh-oh
Woah-oh-oh-oh Sometimes, I feel like growing up
And somehow, the magics turned to dust
And I don't know, no I don't like it
And I'll die, I'll die trying to fight it Woah-oh-oh-oh
I'll die trying to fight it
Woah-oh-oh-oh When we, were young and out of tune
We screamed, the battle cry of youth
And I'm sick, I'm so sick of trying
To live forever, when we're all dying Don't take away, my magic in space
Meet me in space, it's beautiful Inside my brain, my magic in space
Meet me in space, it's beautiful Don't take away, my magic in space
Meet me in space, it's beautiful Inside my brain, my magic in space
Meet me in space, it's beautiful I wanna love like I've never had my heart broke before
Young and reckless
Young and reckless I wanna love like I've never had my heart broke before
Young and reckless
Young and reckless Don't take away, my magic in space
Meet me in space, it's beautiful Inside my brain, my magic in space
Meet me in space, it's beautiful Don't take away, my magic in space
Meet me in space, it's beautiful Inside my brain, my magic in space
Meet me in space, it's beautiful Don't take away, my magic in space
Meet me in space, it's beautiful Inside my brain, my magic in space
Meet me in space, it's beautiful
