

# Autumn Leaves

Billie Holiday, Benny Goodman, Louis Armstrong, El

Another day another life  
Passes by just like mine  
It's not complicated  
Another mind  
Another soul  
Another body to grow old  
It's not complicated  
Do you ever wonder if the stars shine out for you?  
Float down  
Like autumn leaves  
And Hush now  
Close your eyes before the sleep  
And you're miles away  
And yesterday you were here with me  
Another tear  
Another cry  
Another place for us to die  
Its not complicated  
Another life that's gone to waste  
Another light lost from your face  
It's complicated

Is it that it's over or do birds still sing for you?  
Float down  
Like autumn leaves  
And Hush now  
Close your eyes before the sleep  
And you're miles away  
And yesterday you were here with me  
Ooh how I miss you  
My symphony played the song that carried you out  
And Ooh how I miss you  
And I miss you and I wish you'd stay  
Do you ever wonder if the stars shine out for you?  
Float down  
Like autumn leaves  
And Hush now  
Close your eyes before the sleep  
And you're miles away

And yesterday you were here with me  
Mhhh, mhh, mhhh, mhhh,mhhh,mho  
Touch down  
Like a seven four seven  
Stay out and we'll live forever now
