

# Live Out Loud (re:created)

Steven Curtis Chapman

Imagine this I get a phone call from Regis  
He says, "Do you want to be a millionaire?"  
They put me on the show and I win with two lifelines to spare  
Now picture this I act like nothing ever happened  
And bury all the money in a coffee can  
Well, I've been given more than Regis ever gave away  
I was a dead man who was called to come out of my grave  
And I think it's time for makin' some noise Wake the neighbors, get the word out  
Come on crank up the music, climb a mountain and shout  
This is life we've been given, made to be lived out  
So la la la la live out loud  
Got to live out loud, now now now now Think about this, try to keep a bird from singing  
After it's soared up in the sky  
Give the sun a cloudless day and tell it not to shine  
Think about this if we really have been given  
The gift of life that will never end  
And if we have been filled with living hope, we're gonna overflow  
And if God's love is burning in our hearts well you know we're gonna blow  
There's just no way to keep it in Wake the neighbors, get the word out  
So come on crank up the music, climb a mountain and shout  
This is life we've been given, made to be lived out  
So la la la la live out loud yeah yeah  
Got to live to live it out loud loud loud Everybody sing  
La la la la la la la  
La la la live out loud Every corner of creation is a living declaration  
Come join the song we were made to sing  
Everybody sing  
Every corner of creation is a living declaration  
Come join the song we were made to sing Every come on  
Wake the neighbors, get the word out  
So come on crank up the music, climb a mountain and shout  
This is life we've been given, made to be lived out  
So la la la la live out loud  
La la la la la la la  
La la la live out loud  
La la la la la la la  
La la la live out loud  
Every corner of creation is a living declaration  
Come join the song we were made to sing

Every corner of creation is a living declaration  
Come join the song we were made to sing  
Everybody get loud
