

Don't Bite the Dick

David Allan Coe

Don't bite the dick that fucks you honey
You gotta learn to suck it funny
How those dicks taste all like rubber
Covered with goo
Some cums clear and some cums milky
Some cums thick and some cums silky
Don't bite the dick that fucks you honey
and it'll be good to you. Momma be proud of your daughter
Think of all the things you taught her
Not to go into the water till she could swim
how to cook and how to sew
what other things you know You should have taught her about sex
that it was not a sin
you should have said
don't bite the dick that fucks you honey
you gotta learn to suck it funny
how those dicks all taste like rubber
covered with goo
some cums clear and some cums milky
some cums thick and some cums silky
don't bite the dick that fucks you honey
it'll be good to you you should have taught her how to suck one
if you'da taught her how to fuck one
maybe she'd a never snuck one when you wasn't home
you could have taught her not to fight it
you could have taught her not to bite it
you could have taught her wrong from right
but you left her on her own You should have said
don't bite the dick that fucks you honey
you gotta learn to suck it funny
how those dicks all taste like rubber
covered with goo
some cums clear and some cums milky
some cums thick and some cums silky
don't bite the dick that fucks you honey
it'll be good to you don't bite the dick that fucks you honey
you gotta learn to suck it funny
how those dicks all taste like rubber
covered in goo some cums clear and some cums milky

some cums thick and some cums silky
don't bite the dick that fucks you honey
it'll be good to youFadeds to finish.
