

I'll Shoot The Moon

Tom Waits

I'll shoot the moon
Right out of the sky
For you baby
I'll be the pennies
On your eyes
For you baby I want to take you
Out to the fair
Here's a red rose
Ribbon for your hair I'll shoot the moon
Right out of the sky
For you baby
I'll shoot the moon
For you A vulture circles
Over your head
For you baby
I'll be the flowers
After you're dead
For you baby I want to build
A nest in your hair
I want to kiss you
And never be there I'll shoot the moon
Right out of the sky
For you baby
I'll shoot the moon
For you
