Neptune

Ian Brown

Ladies and gentlemen
On our left is NeptuneWake up, you're going places
Without ever leavin' a trace
This grace can help you wanderWake up, you're going places
Without ever leavin' a trace
Smile on a little child's faceLadies and gentlemen
On our right we have MarsWake up, you're going places
Without ever leavin' a trace
This grace can help you wanderWake up, you're going places
Without ever leavin' a trace
Smile on a little child's faceWake up, you're going places
Without ever leavin' a trace
Wake up, we're going placesLadies and gentlemen
On our left is Neptune
