

# Warning

## Ice-t

Bat your eyes girl  
Be other-worldly  
Count your blessings  
Seduce a stranger  
What's so wrong with being happy?  
Kudos to those who see through sickness, yeah  
Over and over  
And over and over  
She woke in the morning  
She knew that her life had passed her by  
And she called out a warning  
"Don't ever let life pass you by"  
I suggest we learn to love ourselves  
Before it's made illegal  
When will we learn?  
(When will we learn?)  
When will we change?  
(When will we change?)  
Just in time to see it all come down  
Those left standing  
Will make millions  
Writing books on the way  
It should have been  
She woke in the morning  
She knew that her life had passed her by  
And she called out a warning, warning  
"Don't ever let life pass you by"  
Floating in this cosmic jacuzzi  
We are like frogs oblivious  
To the water starting to boil  
No one flinches, we all float face down  
When she woke in the morning  
She knew that her life had passed her by  
And she called out a warning, warning  
"Don't ever let life pass you by, pass you by"
