Live Good

Naive New Beaters

Try my best to live good
Try my best to do the right
I don't know what wrong have I done you
I don't know

I don't know what wrong have I done you
I don't know
All I know I must speak
I must

All I know I must speak
I must

I don't know what wrong have I done you
I don't know
I don't know what wrong have I done you
I don't know
All I know I must speak
I must

All I know I must speak
I must
