

# Out Of My Hands

## Green River Ordinance

We were young and wild and free  
Fightin in a love we couldn't leave  
Even on the way down even on the way down  
You standin there in your bare feet  
Seein in your eyes you wouldn't leave  
Even on the way down even on the way down Out of my hands  
Breakin your heart  
Letting you go and it's my fault  
Fooling ourselves there's no easy way out  
When it is over So many lines we tried to draw  
Anything there to break the fall  
Even on the way down even on the way down  
You were the one who always said  
Don't let the doubts go to your head  
Even on the way down even on the way down It's out of my hands  
Breaking your heart  
Letting you go and it's my fault  
Fooling ourselves there's no easy way out  
When it is over So many things that I should say  
If it even mattered anyway  
The war is long been lost  
Two sad souls that can't count the cost  
With love its just an open flame  
We burn ourselves just to feel the pain  
Oh when it over now when is it over now  
Over now over now over It's out of my hands  
Breaking your heart  
Letting you go and it's my fault  
Fooling ourselves there's no easy way out  
When it is over when is it over now When is it over  
When is it over  
When is it over
