

# Words Get In The Way

**Gloria Estefan**

I realize you're seeing someone new  
But I don't believe she knows you like I do  
Your temperamental moody side  
The one you always try to hide from me But I know when you've got something on your mind  
You've been trying to tell me for the longest time  
But before you break my heart in two  
There's something I've been trying to say to you But the words get in the way  
There's so much I want to say  
But it's locked deep inside and if you look in my eyes  
We might fall in love again I won't even start to cry  
Before we say goodbye  
I'm trying to say I love you  
But the words get in the way Your heart has always been an open door  
But baby I don't even know you anymore  
And despite the fact it's hurting me  
I know the time has come to set you free But the words get in the way  
There's so much I want to say  
But it's locked deep inside and if you look in my eyes  
We might fall in love again I won't even start to cry  
Before we say goodbye  
I'm trying to say I love you  
But the words get in the way I'm trying to say I love you  
But the words get in the way
