

# Eggs

## Milhouse

What shall we do with his brain?  
You put it back, for it isn't the same  
What shall we do with his brain?

Eggs

do you think so?

oh....

What did you do with his brain?

What did you do to his brain?

Well he used to not be farmer shoes clean

Oh.....

do you think so?

oh.....

oh no

oh no

hey what did you do to his brain  
what should you do to his brain  
oh once somebody tried to help me  
but it turned out wrong and now  
now it's gone to hell and down  
now he's trying to look inside me  
what should you do with his brain  
what did you do to his brain

HAHAHAHAHAHAHAHHHAHAHAHAHHHAHAHAHAHAHAHAHAHAHA
