

# Won't Last Long

## Tom Petty & The Heartbreakers

You and me been over this ground  
Over this ground beforeI can't explain, I can't explain  
I can't explain anymoreOh it's hard to watch you goI'm down but it won't last long  
I'm down but it won't last longDon't let me down, don't let me down  
Don't let me down like thisIt's not the same  
Over and over, over and over againYeah, this is not my dayI'm down but it won't last long  
I'm down but it won't last longHalf my brain has gone away  
Half my brain has gone  
So far awayDon't let me down, don't let me down  
Don't let me down againDon't shake me up, don't burn me out  
I'm hurt and you won't let me inYeah, this is not my dayI'm down but it won't last long  
I'm down but it won't last long  
OhI'm down but it won't last long  
I'm down but it won't last longI'm down but it won't last long  
Yeah, noI'm down but it won't last long  
Oh
