Inside Your Heaven

Mark W. Curran

I've been down, now I'm blessed
I felt a revelation comin' 'round
I guess it's right, it's so amazing
Everytime I see you, I'm alive
You're all I've got, you lift me up
The sun and the moonlight
All my dreams are in your eyes
And I wanna be inside your heaven
Take me to the place you cry from
Where the storm blows your way
And I wanna be the earth that holds you
Every bit of air you're breathin' in, a soothin' wind
I wanna be inside your heaven
When we touch, when we love
The stars light up, the wrong becomes undone
And naturally my soul surrenders
Sun and the moonlight
All my dreams are in your eyes
And I wanna be inside your heaven
Take me to the place you cry from
Where the storm blows your way
And I wanna be the earth that holds you
Every bit of air you're breathin' in, a soothin' wind

I wanna be inside your heaven
When minutes turn to days and years
If mountains fall, I'll still be here
Holding you until the day I die
I wanna be inside your heaven
Take me to the place you cry from
Where the storm blows your way
I wanna be inside your heaven
(Take me to the place you cry from)
Where the storm blows your way
And I wanna be inside your heaven
Take me to the place you cry from
Where the storm blows your way
And I wanna be the earth that holds you
Every bit of air you're breathin' in, a soothin' wind

I wanna be inside your heaven
And I wanna be inside your heaven
Take me to the place you cry from
Where the storm blows your way
And I wanna be the earth that holds you
Every bit of air you're breathin' in, a soothin' wind
I wanna be inside
