

# Inside Your Heaven

Mark W. Curran

I've been down, now I'm blessed  
I felt a revelation comin' 'round  
I guess it's right, it's so amazing  
    Everytime I see you, I'm alive  
You're all I've got, you lift me up  
    The sun and the moonlight  
    All my dreams are in your eyes  
And I wanna be inside your heaven  
    Take me to the place you cry from  
    Where the storm blows your way  
And I wanna be the earth that holds you  
Every bit of air you're breathin' in, a soothin' wind  
    I wanna be inside your heaven  
    When we touch, when we love  
The stars light up, the wrong becomes undone  
    And naturally my soul surrenders  
    Sun and the moonlight  
    All my dreams are in your eyes  
And I wanna be inside your heaven  
    Take me to the place you cry from  
    Where the storm blows your way  
And I wanna be the earth that holds you  
Every bit of air you're breathin' in, a soothin' wind

I wanna be inside your heaven  
When minutes turn to days and years  
    If mountains fall, I'll still be here  
    Holding you until the day I die  
    I wanna be inside your heaven  
Take me to the place you cry from  
    Where the storm blows your way  
    I wanna be inside your heaven  
(Take me to the place you cry from)  
    Where the storm blows your way  
    And I wanna be inside your heaven  
    Take me to the place you cry from  
    Where the storm blows your way  
    I wanna be the earth that holds you  
Every bit of air you're breathin' in, a soothin' wind

I wanna be inside your heaven  
And I wanna be inside your heaven  
Take me to the place you cry from  
Where the storm blows your way  
And I wanna be the earth that holds you  
Every bit of air you're breathin' in, a soothin' wind  
I wanna be inside
