

Shut Up and Dance

Walk the Moon

Oh don't you dare look back
Just keep your eyes on me
I said you're holding back
She said shut up and dance with me
This woman is my destiny
She said oh oh oh
Shut up and dance with meWe were victims of the night
The chemical, physical, kryptonite
Helpless to the bass and the fading light
Oh we were bound to get together
Bound to get togetherShe took my arm
I don't know how it happened
We took the floor and she saidOh don't you dare look back
Just keep your eyes on me
I said you're holding back
She said shut up and dance with me
This woman is my destiny
She said oh oh oh
Shut up and dance with meA backless dress and some beat up sneaks
My discotheque Juliet teenage dream
I felt it in my chest as she looked at me
I knew we were bound to be together
Bound to be togetherShe took my arm
I don't know how it happened
We took the floor and she saidOh don't you dare look back
Just keep your eyes on me
I said you're holding back
She said shut up and dance with me
This woman is my destiny
She said oh oh oh
Shut up and dance with meDeep in her eyes
I think I see the future
I realize this is my last chanceShe took my arm
I don't know how it happened
We took the floor and she saidOh don't you dare look back
Just keep your eyes on me
I said you're holding back
She said shut up and dance with me
This woman is my destiny

She said oh oh oh
Shut up and danceOh don't you dare look back
Just keep your eyes on me
I said you're holding back
She said shut up and dance with me
This woman is my destiny
She said oh oh oh
Shut up and dance with meOh oh oh shut up dance with me
Oh oh oh shut up dance with me
