

I Speak to the Mountain

Bethany Martin

I speak to the mountain and I say "Move"
Do you know how big my God is?
Do you know how great my God is?
I say to sick one "Be healed"
Do you know how big my God is?
Do you know how great my God is?
x2

[Chorus]
He's a Mighty Warrior
Saviour, Healer
Seated in the Heavens all things under His feet
there's no one greater
full of power
He reigns forever
He's the King of all Kings

I say to the dead ones "Arise"
Do you know how big my God is?
Do you know how great my God is?
I command the darkness "Be gone"
Do you know how big my God is?
Do you know how great my God is?
x2

[Chorus] x2

And the kingdoms of this earth are becoming
the kingdoms of our God
x2

And He will reign forever x2

[Chorus] x2
