Sliding Doors

Kaedyn Kashmir

Verse 1:

There you are
You held my door
No oneâ€™s ever
Been able to stop me in my tracks before
Youâ€™re a beast
Wild animal
And Iâ€™m the lion that you tamed
Now under your control

Pre-Chorus:

Youâ€™re like the ghost that follows me wherever I go
Youâ€™re the music burning down deep in my soul
You Move me You Move me
Then you leave

Chorus 1:

Then weâ€™re back to the start
Now theyâ€™re splitting apart
The roads are shifting our worlds apart
Weâ€™ve been here before
Through these sliding doors
Desperate runaways
Canâ€™t escape our fate
We think itâ€™s a dream
But weâ€™re wide awake
Weâ€™ve been here before
Through these sliding doors
And there you are

V2:

How could we be so blind
Thinking itâ€™s just black and white
We walk into the fire
Just to feel alive
Love the way it burns

But we hate the way it hurts
We hate the way it hurts

Pre-Chorus 2:

Youâ€™re like the ghost that follows me wherever I go
Youâ€™re the music burning down deep in my soul
You Move me You Move me
Then you leave me

Chorus 2:

Then weâ€™re back to the start
Now theyâ€™re splitting apart
The roads are shifting our worlds apart
Weâ€™ve been here before
Through these sliding doors
Desperate runaways
Canâ€™t escape our fate
We think itâ€™s a dream
But weâ€™re wide awake
Weâ€™ve been here before
Through these sliding doors

Bridge:

Walking on wire..wire
But our feet are getting tired..tired
Keep trying to take it higher..higher
But we always fall down..down..down
woah..woah..woah..woah
woah..woah..woah

Chorus 3:

Then weâ€™re back to the start
Now theyâ€™re splitting apart
The roads are shifting our worlds apart
Weâ€™ve been here before
Through these sliding doors
Desperate runaways
Canâ€™t escape our fate
We think itâ€™s a dream
But weâ€™re wide awake
Weâ€™ve been here before
Through these sliding doors

And there you are

Oh..oh..oh..oh
