

# Body Rock

## Fifth Harmony

Ally:

I'm dancing in the rain, 'cause there's a fire burning deep inside of you  
I'm locked into your chain, 'cause I'm addicted to the way your body movesNormani:

Oh my heart racing and my temperature is blazing through the roof  
And I'm tired of this charade, 'cause I can't hide the way I'm fiending over youLauren:

I'm overwhelmed I might as well stay underneath the spell you put on me  
And when you touch me, I can feel it in my veins like electricityFifth Harmony:

All day I'm only think 'bout you

All day you got me going baby

Always I love the way your body rocks when we rock, you rock with me

Body rock, body rock, you rock with me

See this is how real love suppose to be

Body rock, body rock, you rock with me

Say this is how real love suppose to be
