Broken Pledge

Alove For Enemies

Why has your faith gone to nothing
Always pretending that you have made a stand
Leaving all this behind to disappear
Waiting, watching for the trends to let you inI know your reasons, your claims,
I see an answer, get back and fight
Where have you gone? What have you done?
When will you know? This is for HimPick up your cross, get back in the fight
Pick up your cross, get back in the fight
