

# Broken Pledge

## Alove For Enemies

Why has your faith gone to nothing  
Always pretending that you have made a stand  
Leaving all this behind to disappear  
Waiting, watching for the trends to let you in I know your reasons, your claims,  
I see an answer, get back and fight  
Where have you gone? What have you done?  
When will you know? This is for Him Pick up your cross, get back in the fight  
Pick up your cross, get back in the fight
