

# Looking for Another Pure Love

## Stevie Wonder

Never tears or sorrows came before me in my mind  
I had no problems, never a problem in my life  
Never a worry on my mind  
All my days before today were happyAnd secure until your phone call  
You were tellin' me goodbye  
Now I'm lookin' for another love  
I'm lookin' for another pure love in my lifeOh  
And I'm lookin' for another love  
I'm lookin' for another pure love in my life  
Now the wheel of fate has turned  
I'm worried 'bout the new love you've discoveredHe is a problem in my life  
I have a problem on my mind  
Things you cherish most in your life  
Can be taken if they're left neglectedLeavin' a problem in your life  
'Cause now I'm lookin' for another love  
I'm lookin' for another pure love in my life, oohAnd now I'm lookin' for another love  
I'm lookin' for another pure love in my life, ooh  
I'm lookin' for another love  
I'm lookin for another pure love in my life  
I'm lookin' for another love  
I'm lookin for another pure love in my life  
You know, I'm lookin' for another love  
I'm lookin for another pure love in my life
