

That's When

Alvin Slaughter

All alone just sittin' thinkin' by myself
Contemplating 'bout my life chewing on my nails
I'm the head of this house, now it's all on me
To provide for my wife and kids are my responsibility
Can't afford to break down, gotta be a man
Ain't the richest guy around but I do what I can [Incomprehensible]
How it's gonna go down, homie, don't ask me
I just pray to the Lord up above in search of reciprocity
That's when, that's when you blessed me
That's when, that's when you rescued me from
The pain and the heartache, that's when, that's when
That's when, that's when you blessed me
That's when, that's when you rescued me from
The pain and the heartache, that's when, that's when
Don't know how in the world I'mma pay these bills
Feel like sometimes I wanna cry, I'ma keep it real
But I ain't givin' up my pride or my sanity
I refuse to let society win, it won't get the best of me
Baby's crying, wife is whinin' 'cuz they never see me
But it's hard when you're working two jobs, you see
Have a feeling that trouble won't last always
Lift my hands to the sky up above, I hope you're hearin' what I say
That's when, that's when you blessed me
That's when, that's when you rescued me from
The pain and the heartache, that's when, that's when
That's when, that's when, that's when you blessed me
That's when, that's when, that's when you rescued me from, me from
The pain and the heartache, that's when, that's when, that's when
That's when, that's when you blessed me
That's when, that's when you rescued me from
The pain and the heartache, that's when, that's when
That's when, that's when, that's when you blessed me
That's when, that's when, that's when you rescued me from, me from
The pain and the heartache, that's when, that's when
That's when
