

# Gloomy

[Matt Costa](#)

In the summertime the sun don't shine  
In the town we live in  
I went around but still no sound  
In the town and all around it's gloomy  
Doo doo Oh it's rain or shine so make up your mind  
In the town we live  
I went around but still no sound  
In the town and all around it's gloomy  
Doo doo oooh it's so gloomy doo doo Oooh flowers should be blooming  
Oooh but it's so gloomy And my restless mind get's too much time to myself  
It's summertime, come on take the sun off the shelf  
'Cause it's too gloomy  
Ooh well it's so gloomy Oooh flowers should be blooming  
Oooh but it's so gloomy  
Well it's so gloomy
