Say You'll Be Mine

Thanks to Annie for submitting the lyrics I wanna hold you when you feel, you need to be held

I wanna love you when you feel like love is somewhere else

I wanna be your every tomorrow, 'cause today's not enough time

For me to give you all I have to give, say you'll be mine I wanna be the greatest lover, of your life

I wanna be the last to wish you, goodnight

I wanna be the first kiss, of every day

I wanna be the one that never, walks away I wanna hold you when you feel, you need to be held

I wanna love you when you feel like love is somewhere else

I wanna be your every tomorrow

'cause today's not enough time

For me to give you all I have to give, say you'll be mine I wanna be the one you think of, when you smile

I wanna be the one you imagine, when you close your eyes

I wanna be everything, you need me to be

I wanna be the force of light to help you see I wanna hold you when you feel, you need to be held

I wanna love you when you feel like love is somewhere else

I wanna be your every tomorrow

'cause today's not enough time

For me to give you all I have to give, say you'll be mine be mine...

Be mine...

OOoO ba da ba da ba da

Ba da ba da ba da

Ba da ba da ba da

Ba da ba da ba da I wanna hold you when you feel, you need to be held

I wanna love you when you feel like love is somewhere else

I wanna be your every tomorrow

'cause today's not enough time

For me to give you all I have to give, say you'll be mine I wanna hold you when you feel, you need to be held

I wanna love you when you feel like love is somewhere else

I wanna be your every tomorrow
