Too Alive

The Breeders

I took off

When will will make no way steal it
Like I found speed on the mic
I can't shut up

We're street illegal
Red hot
In ports
Swinger

The thoughts of scene a crime
Steal and all race out of my mind
I give up

We reckless op'ed
And in a hot import
Now words I'll always say
Since I found speed on the mic
I can't shut up

To girls that love to haunt
The U.S. is made
To streak her letterman
Back and forth
