

Company Man

Jamestown Revival

Company man came and knocked on my door
Took what he wanted and he took him some more
Company man came to get it while the getting is good I never wished no one to die but I'm wishing that that
company would I said why why why?
Why why why?
Why why why won't you leave me alone?
You keep on taking and taking till you take me right down to the bone! I dropped my money and it fell to the
floor
Company man didn't let it roll
He keeps on thinking that he owns everything he finds
He got another thing coming if he keeps on trying to take what's mine
I said why why why?
Why why why?
Why why why won't you leave me alone?
You keep on taking and taking till you take me right down to the bone! I said why why why?
Why why why?
Why why why won't you leave me alone?
You keep on taking and taking till you take me right down to the bone!
