The Big Bang

Rock Mafia

Oh babe !...
I don't wanna lie
I'm gonna take what you're giving
'Cause I know you're willing
To take me all the way
You got me right here,
Combustible
And I can't wait to finally explodeThe big big bang
The reason I'm alive
When all the stars collide
In this univers insideThe big big bang
The big big bang , the big big bangSome people like to talk,
But I'm into doing
What I feel like doing
When I'm inspired, so
If we take a walk down
The beach tonight
I bet that we could light up the skyThe big big bang
The reason I'm alive
When all the stars collide
In this univers insideThe big big bang
The big big bang, the big big bangTake it from me, I don't wanna be,
Mummified
Sometimes I feel so isolated
I wanna die
And I'll take it from you if you got it
Every time
So baby, bring your body here
Next to mine, next to mineI don't wanna dream
I just wanna live it
So baby
Let's not miss this thingThe big big bang
The reason I'm alive
When all the stars collide
In this univers insideThe big big bang
The big big bang, the big big bangHit me big, big, big, bang
Whoa, baby
Whoa, baby
Whoa, baby
