Say You Love Me

G.NA feat. HyunA

Say you love me
Say I'm the one your eyes see
Tell me you need me
Deep down inside like I need you
You see I need you to see me through
I wanna hear you say darling, "Darling, I love you"
So say, say you love me
Say you love me, yeah, yeah,say you love me
Say, just say you love me
Say you love me, say you love me
Through the rain and through the cold
Together we will never grow old
Sometimes the going will get a little tough
And I must admit living with me can be rough
But I, I need you to see me through
I get off when you say, "Baby, baby, baby, I love you"

Say, say, just say you love me
Wanna hear you say
Say, say, you love me
Ooh let me be, I wanna be your woman
Together we can make a stand, I know, I know
Let me take your trembling hand
Somewhere in God's country we'll settle on a piece of land
Because I need you to see me through
I just wanna hear you say, "Oh, baby, baby, baby I love you, I love you"
Say, say you love me
Oh, just wanna hear you say, say, say
Say, say you love me
Say, say, say
Say, say, say
