

# Fire in Disguise (feat. Shannon Chan-Kent)

## Unicorn Academy

I've been in the shadows too long  
It's time for me to take what's mine  
I'll show you the real me after all  
cause everyone turned a blind eye  
Now you're gonna see the rise and fall  
Oh, oh you thought I was innocent  
No, no this time things are different  
I've got power that is infinite  
Oh, oh I'm coming for my revenge  
No no, I don't fear the consequence  
I've got you in the palm of my hand  
I was sweet, now I'm furious  
You blinked, now it's serious  
Here I stand before your eyes  
fire in disguise  
I know you'll remember this  
Serena the villainess  
I'm the heat that's on the rise  
fire in disguise  
I've got something supernatural  
Now you're in for a surprise  
You can try to run, but you can't hide  
Oh, oh I'm coming to my revenge  
No, no I don't fear the consequence  
I've got you in the palm of my hand  
I was sweet, now I'm furious  
You blinked, now it's serious  
Here I stand before your eyes  
fire in disguise  
I know you'll remember this  
Serena, the villainess, I'm the heat that's on the rise  
fire in disguise
