

Evergreen

Luther Vandross

Love, soft as an easy chair
Love, fresh as the mornin' air
One love that is shared by two
I have found with you Like a rose under the April snow
I was always certain love would grow
And yeah love
Ageless and evergreen
Seldom seen by two So you and I will make each night a first
Everyday a beginning, yeah
Sprints rise and they're dancin' unrehearsed
They warm and excite us, yeah yeah yeah
'Cause we have the brightest love Woh oh oh, two lights, two lights that shine as one, yeah
Morning glory and a midnight sun
Time we learned to sail above
Time the world changed the meanin' of, no no
