Gateway Love

Thomas Rhett

Bet your heart skip a beat when he kisses you, baby
Yeah, I just gotta know for my peace of mind
Staying up all night 'cause it's driving me crazy
Tell me yes or no, either way, I'm fineLast time we talked, said you'd never been better
That's what you said, though, when we were together
Mine in July, but you're his in December
I guess I was your gateway love, I didn't get you high enough
Kinda like an 8th grade crush that never lasts
Are you on that heavy stuff?
Tell me, did you find the one,
Find the one I thought I was?
But now I know that I was just your gateway love, baby
Yeah, I was your gateway love, baby
Was I just one piece of the puzzle you played?
Did you have your eye on a different prize?
Was it just another number on a whole other wait list?
I knew it at the end, but it wasn't sublime
Last time we talked, said you'd never been better
That's what you said, though, when we were together
Mine in July, but you're his in DecemberI guess I was your gateway love,
I didn't get you high enough
Kinda like an 8th grade crush that never lasts
Are you on that heavy stuff?
Tell me, did you find the one
Find the one I thought I was?
But now I know that I was just your gateway love, baby
Yeah, I was your gateway love, baby
Yeah, I was your gateway love, baby
Yeah, I was your gateway love, baby
Does your heart skip a beat when he kisses you, baby
'Cause I just gotta know for my peace of mindI guess I was your gateway love, I didn't get you high enough
Kinda like an 8th grade crush that never lasts
Are you on that heavy stuff?
Tell me, did you find the one,
Find the one I thought I was?
But now I know that I was just your gateway love, baby
Yeah, I was your gateway love, baby
Yeah, I was your gateway love, baby
Nothing but your gateway love, baby
