SAVIOR OF SONG
SAVIOR OF SONG

Did you ever take the time to stop and think
Or imagine all the damage you had to cause
Cause now you're standing in front of a battle scene
And all the world was watching as hope was lost
although you can't undo all that you have done
it's not the way to cry or for you to run
you willing me no way to before mind
And then you'll find the answers inside of you

bokura ga nozonda kotae wa nikushi me ga kutte shimaun darou
Arasoi no saki ni nokoshita tsumeato wa dare ga kesunda?

ima made Todokanakute
sukui no te wo zutto kobandeita
hagane no you na kurushimi ni
yaiba wo furi woroshitekunda

togireta ikitome wo
kegareta sekai wo tsungagitomete
bokura no durumon wo
sounds stop and rewind
(stop and rewind)
ushinatta kibou wo
Kowareta jikan no piisu wo atsumete
torimodosu tame ni
you need to follow no one
(following no one)

kagirinai itsukushimi wo
