

# Kindness For Weakness

## Haystak

Don't you take my kindness for weakness  
Don't you take my kindness for weakness  
    Don't you take  
    Dilated, yo, yo  
I might flip but usually a calm individual  
Armed with accountants, my lawyers and other criminals  
    Network with armies, street wars are critical  
    And revolutionaries so streets are more livable  
    Fuck what your ego say  
Don't take shit for granted, homey, we don't play  
    All's fair in love and war, piece of cake  
    But beef is rare like a bloody piece of steak  
Don't you take your eyes off the quiet ones, the silent ones  
    With the assassin smile, the most violent  
    Train until their bleeding, crying, perspiring  
    And gun rings firing  
Don't you take the wrong side, that's the wrong idea  
    Untangle it, we could get it on right here  
    Never back to broke, you get tapped or choked  
    I might smile but I ain't no joke  
    Don't you take my kindness for weakness  
    Don't you take my kindness for weakness  
    Don't you take  
    Oh, yo look out, look out Rak'  
    Love or fear, the fear last longer  
But love is stronger, so I stay loyal to love with honor  
    You got those who wanna take that for weak  
    Be prepared, they'll test you in front of your peeps  
    Some easy advice, buy your way out my life  
    It's the principle, the pockets fat not flat  
    Some borrow dough and relax on payin' that back?  
    C'mon cat  
Don't you take me for weak, give an inch they take feet  
    Give 'em feet, they take the street  
    My city's called 'Everybody Eats'  
    The operations don't skip a beat  
Don't you take my squad as chumps, punks or fakes  
    Quick to dump, pop trunks on snakes  
    That's of course, push came to shove

Otherwise love is love so  
Don't you take my kindness for weakness  
Don't you take my kindness for weakness  
Don't you take my kindness for weakness  
Don't you take my kindness for weakness  
Don't you take  
Ladies and gentlemen  
We have a special guest tonight in the house  
Talib Kweli  
You'll never fit up in my shoes so don't try 'em on  
I always tear it up, I'm 'bout as calm as a quiet storm  
Legendary lyricist, nice guy persona  
My songs celebrate life and you can play 'em for your momma  
But don't make the mistake of tryin' to play me  
Unless you a DJ, don't get it twisted I'm still from B.K.  
Wanna front? Better keep it in your mouth like Flavor Flav  
Where I'm from even a chick spit razor blades  
Don't you take me for a sucker or I'll take you back to school  
Fool can't play the wise but the wise can act a fool  
I stay cool and mild mannered and just put in my work  
Don't push you don't know what's up, under my shirt  
Don't you take me for soft, I got a heart that pump  
Like a twelve gauge shotty when it start to dump  
Youse a mystery 'cause you don't know who you runnin' towards  
And got history, that shit is told by those who won the war  
Don't you take my kindness for weakness  
Don't you take my kindness for weakness  
Don't you take my kindness for weakness  
Don't you take my kindness for weakness  
Don't you take  
Don't you take  
Don't you take  
Don't you take  
Don't you take  
Don't you take my kindness for weakness  
Don't you take my kindness for weakness  
Don't you take my kindness for weakness  
Don't you take my kindness for weakness  
Don't you take  
Don't you take
