

# All I Want

## Toad The Wet Sprocket

Nothings so loud  
 As hearing when we lie  
 The truth is not kind  
 And youve said, "Neither am I" And the air outside so soft  
 Is saying everything, everything All I want is to feel this way  
 To be this close, to feel the same  
 All I want is to feel this way  
 The evening speaks, I feel it say Nothings so cold  
 As closing the heart when all we need  
 Is to free the soul  
 But we wouldnt be that brave I know And the air outside so soft  
 Confessing everything, everything All I want is to feel this way  
 To be this close, to feel the same  
 All I want is to feel this way  
 The evening speaks, I feel it say And it wont matter now  
 And whatever happens to me  
 Though the air speaks of all well never be  
 It wont trouble me All I want is to feel this way  
 To be this close, to feel the same  
 All I want is to feel this way  
 The evening speaks, I feel it say And it feels so close  
 Let it take me in  
 Let it hold me so  
 I can feel it say
