

Notorious (Cinemaphonic Soul Mix)

Duran Duran

No-no-notorious

No-no-notorious

I can't read about it, burns the skin from your eyes

I'll do fine without it, here's one you don't compromise

Lies come hard to disguise

Let me to fight it out, not wild about it Lay your seedy judgements, who says they're part of our lives?

You own the money, you control the witness

I hear you're lonely, don't monkey with my business

You pay the profits to justify the reasons

I heard your promise but I don't believe it

That's why I'll do it again No-no-notorious Girls will keep the secrets, so long as boys make the noise

Fools run rings to break up, something they'll never destroy

Grand notorious slam, (bam) and who really gives a damn

For a flaky bandit?

Don't ask me to bleed about it, I need this blood to survive You own the money, you control the witness

I hear you're lonely, don't monkey with my business

You pay the profits to justify the reasons

I heard your promise but I don't believe it

That's why I'll do it again Notorious

Notorious You own the money, you control the witness

I hear you're lonely, don't monkey with my business

You pay the profits to justify the reasons

I heard your promise but I don't believe it You own the money, you control the witness

I hear you're lonely, don't monkey with my business

You pay the profits to justify the reasons

I heard your promise but I don't believe it

That's why I'll do it again No

No-no

That's why I'll do it again

No-notorious

Yeah, that's why I'll do it again

No-no-notorious Yeah, that's why I'll do it again

No-notorious

No-no-notorious

Yeah, that's why I'll do it again

No-notorious

No-no-notorious
