

# Baby You Belong

## Faith Hill

There's a reason why  
You can look up every night  
And every star in Heaven's in its place  
There's a reason why  
The full moon pulls the tide  
And the waves roll in to a shore that always waits  
And just like that  
Baby you belong  
Baby you belong  
Nothing's ever been so meant to be  
Or ever felt so right to me  
Every single part of me believes  
Baby you belong  
Oh, baby you belong  
There really is no mystery  
I think anyone can see  
That baby you belong with me  
There's a voice inside  
And I heard it promise me  
When you came along  
I know you by heart  
Like a familiar song  
Every word is telling me  
That the time has finally come  
Now here you are  
And I know for sure  
Baby you belong  
Oh baby you belong  
Nothing's ever been so meant to be  
Or ever felt so right to me  
Every single part of me believes  
Baby you belong  
Oh, baby you belong  
There really is no mystery  
I think anyone can see  
That baby you belong  
Like the sun belongs up in the mornin' sky  
For at least another million reasons why  
Oh oh  
Baby you belong  
Oh, baby you belong  
Nothing's ever been so meant to be  
Or ever felt so right to me  
Baby you belong  
Baby you belong  
Nothing's ever been so meant to be  
Everything so right to me  
Every single part of me believes  
Oh, baby you belong  
Ah baby baby baby you belong

There really is no mystery  
I think anyone can see  
That baby you belong with me  
Baby you belong with me
