Another World

Joe Jackson, Gary Burke & Graham Maby

I was so low
People almost made me give up trying
Always said no
Then I turned around saw someone smilingI stepped into, I stepped into
Into another, into another
I stepped into, I stepped into
Into another, into another worldThere was no light
I was going to all the wrong places
Like day from night
Suddenly I saw a thousand faces
I stepped into, I stepped into
Into another, into another
I stepped into, I stepped into
Into another, into another worldStepped into, I stepped into
Into another, into another
I stepped into, I stepped into
Into another, into another
I stepped into, I stepped into
Into another, into another
I stepped into, I stepped into
Into another, into another world
