Down There Baby

Lightnin' Hopkins

Sound like I'm hearing moaning
Death bell ringing all in my head
Sound like I can hear moaning
Death bell ringing all in my headYeah, I know that I was gonna
Leave on a chariot but I didn't know
What kind of chariot gonna
Take me away from hereI want you to remember every living people
Every living people is bound to die
I want you to remember every living people
Every living people is bound to dieYeah, you know when that chariot come at you
They'll break running, try to hideYou know my mama told me
You know my papa told me too
You know my mama told me
Oh, papa told me tooHe said, "You know one day, son, that chariot
Oh Lord, coming after you"Yeah, you know the life I'm living
I've been living it for a many year
You know the life I'm living
I've been living it for a many yearI know the chariot was coming for me
But I didn't know what kind of chariot
Gonna take me away from here
