Flagpole Sitta

Chiodos

I had visions, I was in them I was looking into the mirror To see a little bit clearer The rottenness and evil in meFingertips have memories Mine can't forget the curves of your body And when I feel a bit naughty I run it up the flagpole and see who salutes But no one ever doesI'm not sick, but I'm not well And I'm so hot 'cause I'm in hellBeen around the world and found That only stupid people are breeding The cretins, cloning and feeding And I don't even own a TVPut me in the hospital for nerves And then they had to commit me You told them all I was crazy They cut off my legs now I'm an amputee, goddamn youI'm not sick, but I'm not well And I'm so hot, 'cause I'm in hell I'm not sick, but I'm not well And it's a sin to live so wellI wanna publish 'zines And rage against machines I wanna pierce my tongue It doesn't hurt, it feels fineThe trivial sublime I'd like to turn off time And kill my mind You kill my mind, mindParanoia, paranoia Everybody's comin' to get me Just say you never met me I'm runnin' underground with the moles Diggin' in holesHear the voices in my head I swear to God it sounds like they're snoring But if you're bored then you're boring The agony and the irony, they're killing meI'm not sick, but I'm not well And I'm so hot, 'cause I'm in hell I'm not sick, but I'm not well And it's a sin to live this well (One, two, three, four)
