

Walkin' on Me

Big House

You've been steppin' just bit out of line
And that's walkin' on me
Well don't you know you can't be right all the time
Without walkin' on meI don't wancha, putcha walkin' shoes on
And head on out that door
'Cause you'll go out and stay all night long
Like too many nights beforeWell I've tried everything I can, and I'll beg and plead
Then she tells me baby there ain't no need
Just say it again, does me no good
Baby won't you treat me baby like you know you should?
I'll say it again if I thought it would
Make you treat me baby like you know you shouldYou've been walkin', walkin' on me
Yeah, you've been walkin', honey, walkin' on meNow we both know this ain't the first time around
You're still walkin' on me
You go out loud and come back in without a sound
Honey, walkin' on meWell I don't wancha, putcha walkin' shoes on
And head on out that door
'Cause you'll go out and stay all night long
Like too many nights beforeI've tried everything I can, and I'll beg and plead
Then she tells me baby there ain't no need
Say it again, does me no good
Baby, won't you treat me baby like you know you should?
I'll say it again if I thought it would
Make you treat me baby like you know you shouldYou've been walkin', walkin' on me
You know, you've been walkin', honey, walkin' on me
Yeah, you've been walkin'
Yeah, you've been walkin'I've tried everything I can, and I'll beg and plead
Then she tells me baby now ain't no need
Say it again, does me no good
Baby, won't you treat me baby like you know you should?
I'll say it again if I thought it would
Make you treat me baby like you know you shouldSay it again, does me no good
Won't you treat me baby like you know you should?
Say it again if I thought it would
Make you treat me baby like you know you could
Now won't you treat me baby like you know you should?You've been walkin', walkin' on me
You know, you've been walkin', honey, walkin' on me
Yeah, you've been walkin'
Honey, you've been walkin'Yeah, you've been walkin', walkin' on me

You know, you've been walkin', honey, walkin' on me
You know, you've been walkin', honey, walkin' on me
 Know, you've been walkin', walkin' on me
