

# Homecoming

## Green Day

My heart is beating from me  
I am standing all alone  
Please call me only if you are coming home  
Waste another year flies by  
Waste a night or two  
You taught me how to live In the streets of shame  
Where you've lost your dreams in the rain  
There's no signs of hope  
The stems and seeds of the last of the dope  
There's a glow of light  
The St. Jimmy is the spark in the night  
Bearing gifts and trust  
The fixture in the city of lust What the hells your name  
What's your pleasure and what is your pain?  
Do you dream too much?  
Do you think what you need is a crutch? In the crowd of pain  
St. Jimmy comes without any shame  
He says, "We're fucked up"  
But we're not the same  
And mom and dad are the ones you can blame  
Jimmy died today  
He blew his brains out into the bay  
In the states of mind is my own private suicide Well, nobody cares  
Well, nobody cares  
Does anyone care if nobody cares?  
Well, nobody cares  
Well, nobody cares  
Does anyone care if nobody cares? Jesus filling out paperwork now  
At the facility on east 12th Street  
He's not listening to a word now  
He's in his own world and he's daydreaming  
He'd rather be doing something else now  
Like cigarettes and coffee with the underbelly  
His life's on the line with anxiety now  
'Cuz she had enough and he had plenty Somebody get me out of here  
Anybody get me out of here  
Somebody get me out of here  
Get me the fuck right out of here So far away, I don't want to stay  
Get me outta here right now

I just want to be free, is there a possibility?  
Get me out of here right now  
Right!  
This life like dream ain't for me I fell asleep while watching Spike TV  
After 10 cups of coffee and you're still not here  
Dreaming of a song but something went wrong  
And you can't tell anyone 'cuz no one's here  
Left me here alone and I should've stayed home  
After 10 cups of coffee, I'm thinking (Where'd you go?)  
Nobody likes you  
Everyone left you  
(Where'd you go?)  
They're all out without you  
Havin' fun (Where'd you go?)  
Everyone left you  
Nobody likes you  
(Where'd you go?)  
They're all out without you  
Havin' fun  
(Where'd you go, go, go, go) Geez  
I got a rock n roll band  
I got a rock n roll life  
I got a rock n roll girlfriend  
And another ex-wife I got a rock n roll house  
I got a rock n roll car  
I play the shit out the drums  
And I can play the guitar I got a kid in New York  
I got a kid in the Bay  
I haven't drank or smoked nothin' in over 22 days  
So get off of my case, off of my case  
Off of my case Here they come marching down the street  
Like a desperation murmur of a heart beat  
Coming back from the edge of town  
Underneath their feet There time has come and it's going nowhere  
Nobody ever said that life was fair now  
Go-carts and guns are treasures they will bear  
In the summer heat The world is spinning round and round out of control again  
The 7-11 to the fear of breaking down  
So send my love a letter bomb and visit me in hell  
We're the ones going Home  
We're coming home again  
Home  
We're coming home again I started fuckin' running  
As soon as my feet touch ground  
We're back in the Barrio

And to you and me, that's Jingle townHome

We're coming home again

Home

We're coming home again

Home

We're coming home again

Home

We're coming home again

Home

We're coming home againHome

We're coming home again

Home

We're coming home again

Home

We're coming home again

Home

We're coming home again

Home

We're coming home againNobody likes you

Everyone left you

They're all out without you

Havin' fun
