

# Driving Accident Prone

## Plasticland

Automobile stretches  
Anxiously to pass through the intersecting lines  
You rightful won't be on time  
And never detour time  
Warnings of what's up ahead  
Road banner leaving become???  
You were driving alone  
Accident prone  
Danger zone, danger zone  
Goodbye, goodbye  
I saw you driving in that??? old car  
The way you failed to reduce your speed  
Through the windshield 'cross the gravel road  
To where the???  
You were driving alone  
Accident prone  
Danger zone, danger zone  
Goodbye, goodbye
