

Ants In the Kitchen / Goin' Down

Masters of Reality

There's ants in the kitchen baby
Thought I'd let you know
There's ants in the kitchen
Thought I'd let you know Two right there
Makin' off with the stereo There's bugs in the compressor honey
That's why the truck won't go
There's bugs in the compressor honey
That's why the truck won't go Stuck in Indiana
With a bug in my banana
I'm going down
I'm going down, down, down, down, down.
Yeah I'm going down
I'm going down, down, down, down, down. Got my feet outside the window
My head down on the ground I'm going down
I'm going down, down, down, down, down.
Going down
I'm going down, down, down, down, down. Got my feet outside the window
My head down on the ground I'm going down
I'm going down, down, down, down, down.
Yeah I'm going down
I'm going down, down, down, down, down.
Got my feet outside the window
My head down on the ground. There's ants in the kitchen baby
Thought I'd let you know
Said there's ants in the kitchen
Thought I'd let you know Two right there
Makin' off with the stereo
