

In Wonderland

Hooverphonic

I'm painting roses
Heavy rain
Colours run
You call my name
I can't hear you
Way up high
Twinkle twinkle
Stars don't cry
I will be heard
I will be seen
When I am queen
And what I've heard
And what I've seen
Will all make sense
When I am queen
Mirror mirror
On my wall
Tell me how
And when to call
The looking glass
That shows no pain
In Wonderland
We're all the same
