

Happy Holidays You Bastard

Blink 182

It's Christmas Eve
And I've only wrapped 2 fucking presents
It's Christmas Eve
And I've only wrapped 2 fucking presents And I hate, hate, hate your guts
I hate, hate, hate your guts
And I'll never talk to you again Unless your dad'll suck me off
I'll never talk to you again
Unless your mum will touch my cock
I'll never talk to you again
Ejaculate into a sock
I'll never talk to you again
I'll never talk to you again It's Labor day and my grandpa just ate
7 fucking hot dogs
Labor day and my grandpa just ate
7 fucking hot dogs And he shit, shit, shit his pants
He's always fucking shit his pants
And I'll never talk to you again Unless your dad'll suck me off
I'll never talk to you again
Unless your mum will touch my cock
I'll never talk to you again
Ejaculate into a sock
I'll never talk to you again
I'll never talk to you again
