Impress You

Kay B

ho ohh...
there you go again girl
i see you crying...
ohhh..
yeah..
stevie hoang, kay b
listen, just listenanother day
another call
this isn't it
no not all no
i didn't think you would have said
the things you did
it's unfortunate yeahlady thats all i'm hearing when you're with him on the phone
lately he doesn't care but i know it's unbelieveable
i know that right now
i'm only just a friend
but all i need is one chanceso gimme a chance to impress you
because i'm always going to be the other guy
he doesn't know it but I know its true
you've been wanting to leave him for a very long timegimme a chance to impress you
if only you knew just how i'm feeling inside
and yes i promise you
i won't make you cry..
girl i would die just to make you all minei only can make it seem,
you give yourself to him
and everyday you walk around so sad (so sad)
but one thing i know you're not the queen of his throne
why can't you go and just leave him alonehe doesn't run home to cook a meal before you're home
he doesn't tell you nothing, all you hear is come on
i know that right now you're mad, sick, and tired of him
so all i need is one chanceso gimme a chance to impress you
because i'm always going to be the other guy
he doesn't know it but I know its true
you've been wanting to leave him for a very long timegimme a chance to impress you
if only you knew just how i'm feeling inside
and yes i promise you
i won't make you cry..
girl i would die just to make you all mineall i'm asking for is that chance..
to bring you into my world of romance

to hold you... and to love you
girl i wanna take you homeso gimme a chance to impress you
because i'm always going to be the other guy
he doesn't know it but I know its true
you've been wanting to leave him for a very long timegimme a chance to impress you
if only you knew just how i'm feeling inside
and yes i promise you
i won't make you cry..
girl i would die just to make you all mine
