Too Much Rain

Carole King

If anyone asks you how I am
Just say I'm doin' fine
If you will do that for me
I'll do the same for you sometimeAnd if anyone asks you where I've gone
Just say I'm down the line
I don't want my friends to see me like this
Maybe some other timeToo much rain fallin'
Ther's been too much rain fallin'
There's just been too much rain fallin' down on meOne day, I'm gonna understand
The way that my heart works
And then I'm gonna work it out
Also that I won't get hurtBut if anyone asks you where I've gone
Oh, don't say where I am
Just say you saw me and I'm doin' fine
'Cause I'm doin' the best I canToo much rain fallin'
There's been too much rain fallin'
There's just been too much rain fallin' down
Fallin' down, fallin' down on meToo much rain is fallin' down
Too much rain fallin' down
Too much rain fallin' down
Too much rain fallin' down, fallin' down
Fallin' down, fallin' down on me
