

# Look What Love Can Do

## John Campbell

told the hobos  
Down at the train yard  
I wasn't ridin  
No more rails  
I called up  
All of my buddies  
And said my main loft  
Was for saleLook  
What love can do  
Look  
What love can do  
I paid off  
My tab at Big Rita's  
And I kissed  
All the girls goodbye  
Well I tossed  
My black book to a stranger  
And not a single  
Tear fell from my eyeLook  
What love can do  
Look  
What love can doI finally got a mailing address  
A telephone you can call  
Throw my pants into the same corner  
A picture of me on the wall  
Well I  
I gave up my double dealin  
And I ain't carryin'  
My loaded dice  
Well I quit  
All my rumblin  
Now I only  
Tote one big knifeLook  
What love can do  
Look  
What love can do  
Ah, What love can do
