

Hopelessly Yours

Keith Whitley

I love you, I hate you,
I'd forget you, but I'm afraid to.
You loved me or did you'
I'll never be sure.
But one thing's for certain.
In spite of this hurtin'
I'll always be
Hopelessly yours.

From laughin' to cryin' from livin' to dyin' from heaven to a heartache
I know I can't cure
But one thing's for certain
In spite of this hurtin'
I'll always be
Hopelessly yours.

I cry on the slightest of notions
'cause I'm just going through the emotions.

I love you, I hate you,
Forget you, but I'm afraid to.
You loved me or did you'
I'll never be sure.
But one thing's for certain
In spite of this hurtin'
I'll always be
Hopelessly yours.

I'll always be hopelessly yours.
