

# The Young Ones

## Featbeat

The young ones  
Darling, we're the young ones  
And young ones  
Shouldn't be afraidTo live, love  
While the flame is strong  
'Cause we may not be the young ones  
Very longTomorrow  
Why wait until tomorrow?  
'Cause tomorrow  
Sometimes never comesSo love me  
There's a song to be sung  
And the best time is to sing  
While we're youngOnce in every lifetime  
Comes a love like this  
Oh, I need you and you need me  
Oh, my darling, can't you see?Young dreams  
Should be dreamed together  
And young hearts  
Shouldn't be afraidAnd some day  
When the years have flown  
Darling, then we'll teach the young ones  
Of our ownOnce in every lifetime  
Comes a love like this  
Oh, I need you and you need me  
Oh, my darling, can't you see?Young dreams  
Should be dreamed together  
And young hearts  
Shouldn't be afraidAnd some day  
While the years have flown  
Darling, then we'll teach the young ones  
Of our ownThe young ones  
Darling, we're the young ones  
The young ones  
Darling, we're the young ones
